COLUMBUS, OH

Columbus is the capital and largest city in the U.S. state of Ohio, fourth largest city in the American Midwest, and the state's third largest metropolitan area, behind Cincinnati and Cleveland.

It is the county seat of Franklin County. Named for explorer Christopher Columbus, the city was founded in 1812 at the confluence of the Scioto and Olentangy rivers, and assumed the functions of state capital in 1816.

"By prevailing over all obstacles and distractions, one may unfailingly arrive at his chosen goal or destination"

-CHRISTOPHER COLUMBUS
